

Tanso Bench by David Irwin

Tanso Bench by David Irwin

Inspired by the simplicity of Japanese furniture, the Tanso Range bridges the gap between outdoors and indoors by elevating the craftsmanship, quality and detail of outdoor furniture.

Designed by David Irwin and constructed from Grade A Teak, the Tanso Bench is highly robust and weather resistant for outdoor use, yet it's elegant and detailed aesthetic also affords it a place inside.

The clever design of the subtle angles to the flat seat boards allow rainwater to run off without compromising on comfort.

Made in Vietnam.

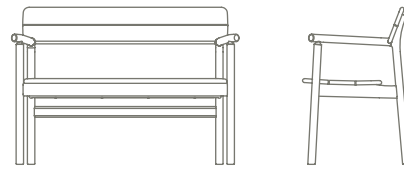

Key Features

- Suitable for outdoor and indoor use
- Weather resistant
- Low maintenance

Technical / Construction

Grade A solid teak

Dimensions

H805 W1160 D552
